TUESDAY, OCTOBER 11, 1902.

ATLANTIC: TUESDAY AND SATURDAY

IN EFFECT JULY 7, 1902.

Table with 3 columns: No. of Arrivals, Destination, No. of Departures. Lists various destinations like Silver City, Deming, Lordsburg, etc.

Died.—In Fort Collins, Colorado, Oct 5th, Mrs. Fred. Mauns, only daughter of L. C. Munger, of this city, aged 29 years.

N. Bell was down from Pinos Altos last week with a shipment of bullion from the Bell & Stephens mill. The mill is running on ore from the Ohio mine but is unable to keep up with the production of the mine. There are now about 400 tons of ore out waiting treatment. The water supply is getting short and there is a probability that the mill will have to be closed down if there is no rain soon. The connection from the surface to the bottom of the shaft on the Ohio mine will be made about the middle of the month when the mine will be drained through the tunnel.

Personal.

Col. and Mrs. J. W. Carter left Sunday morning for a month's visit to Missouri.

Don. H. Kedzie, editor of the Lordsburg Liberal, came over from Lordsburg last Friday.

R. P. Hart, of Lordsburg, arrived in the city last Friday.

A. G. Carter was in from the Mangas in attendance at the convention.

E. M. Young paid a flying visit to Deming last week.

C. F. W. Schmidt spent the most of last week in the city.

J. L. Vaughn, of the Mimbre, left some very fine apples at this office last week. They were from his young orchard which has just come into bearing.

Distinguished Democrats.

Last Friday's train brought two carloads of democrats to Silver City to attend the convention on Saturday and the mass meeting Sunday evening.

Hon. Anthony Joseph, J. H. Crist, H. B. Ferguson, E. G. Ross, W. B. Childers and A. B. Fall were the first to arrive. They were met at the station by the reception committee and a large number of democrats. A line of march was formed and the democrats, headed by the Silver City band, marched to the Tinner House where the visiting democrats had an early supper. They divided into two parties, one going to Pinos Altos and the other to Central where morning meetings were held Friday night.

N. B. Field, of Albuquerque, and Col. McGrorty, of Deming, arrived on Saturday's train and speeches were made on Saturday evening by Delegate Joseph, N. B. Field, W. B. Childers, H. B. Ferguson, A. B. Fall and Joseph Boone. Extracts from the excellent speeches are crowded out of this issue but will appear next week.

The meeting was held in Morrill Hall which was crowded to its utmost capacity.

A Hint From Deming.

"Do you know what the election of Tom Catron means?" said a prominent republican of this county who is connected with a railroad running through here. There was no reply to the query from any one present when it was made. "Well, I'll tell you," continued the speaker; "it means that if he is elected—assuming of course that Harrison is elected also—that he will be the power behind the appointing throne in this Territory, and the judiciary of the same will be formed of such timber as he may select. He will also cause to be removed the present incumbent on the bench in the court of Private Land Claims and a benchman of his own appointment. This may sound like a rash and unwarranted statement, but if any one will take the time to think over and reflect on the course pursued by the wily Catron under the light that is given us by the events as tracked out by the republican delegation from this Territory to the Minneapolis convention, will readily understand the significance of the assertion in the line of a probability that will surely occur if he is elected. Many will not be taxed heavily to remember that the delegation was instructed to further the interests of free coinage of silver at the Minneapolis convention. That the republicans of the Territory were convinced that President Harrison's views were not in accordance with theirs in that regard and that their only salvation for relief was in the nomination of James G. Blaine. The result was disappointment and disgust and indignation when it became known that New Mexico, jointly with Arizona's delegation, had, in fact, elected, as a president, the fact of the matter is, there was a deal made through Steve Elkins and company that Harrison should be nominated at any price; and that Tom Catron was bought as only he disputed on the ground of total ignorance of his record."

After a pause he went on to explain, "that Catron and Elkins were interested in lands in the Northern part of the Territory, the title to which was in dispute; and just as sure as Harrison and Catron are elected the title to such lands will become a creature that cannot be disturbed. See if that is not so, if they are elected." "Then," said a person who had been an interested listener, "you will vote the democratic ticket?" "No," he said, "I will vote against Catron, that's all," he quickly retorted.

HARMONIOUS DEMOCRACY.

The Democrats of Grant County place in the Field an Invincible Ticket and are Advancing on the Common Enemy in an Unbroken Column.

Last Saturday several hundred democrats assembled in this city to attend the county democratic convention and listen to the distinguished speakers who came from various parts of the Territory to attend the convention.

The convention was called to order at 11:35 by J. W. Fleming, chairman of the county democratic central committee who asked Hon. Anthony Joseph, J. H. Crist, H. B. Ferguson, W. B. Childers, E. G. Ross and A. B. Fall to take seats on the platform and the democratic wheel horses of the Territory came forward and took seats in rear of the chairman.

The chairman then proceeded to read the call of the county central committee for the county convention. At its conclusion he said that he was pleased to see the county so well represented in the convention and hoped that the deliberations of the convention would not be marred by any wrangle as the election was only 30 days away and that there was no time to patch up quarrels. He said that he was sorry that there were not more democrats for all the candidates before the convention and that there were bound to be some disappointed ones but they ought to fall in and work for the nominees. The chairman concluded his remarks by saying that the party could call on him for \$100 to help out in the campaign.

The election of a temporary chairman was then declared to be in order and Joseph Boone, of Deming, G. D. Bantz, of Silver City and Mr. Bonner, of Lone Mountain, were nominated. Boone's name was withdrawn and the roll of precincts was then called with the following result:

Table with 3 columns: Precinct, Bantz, Boone. Lists precincts like Pinos Altos, Silver City, Deming, etc.

Judge Bantz was declared the temporary chairman of the convention, and the ballot showed that there had been cast 108 votes out of 110 delegates which had been elected to the convention, and that it was the largest county convention ever held in Grant County. On taking the chair, the Mr. Bantz said: "Mr. chairman and gentlemen of the convention: I thank you for the honor which you have bestowed upon me, and with your patience and kind assistance I shall endeavor to preside fairly and impartially. A few days ago I heard there was a new candidate out and that his name was Harmony. We must be more than prudent democrats, and unless we make our allegiance to the democratic party higher than any candidate, we cannot be a respectable, much less a formidable, opponent to the republican party. Let us heed the advice of David B. Hill, and in the approaching struggle 'present a solid front to the common enemy,' and remember that 'loyalty to the regularly nominated candidate is the supreme duty of the hour.' I hope that the jealousies and bickerings which may arise here to-day will be locked with the doors of this convention. Let the broad banner of democracy be swung to the breeze and every man do his duty until the last ballot is counted on the evening of the 8th of next November."

The selection of a secretary was declared to be in order, and J. A. Mahoney and W. B. Walton, both of Deming, were placed in nomination. Mahoney withdrew and Walton was unanimously elected.

Judge Boone, of Deming, moved that the delegations from each precinct should select one delegate to serve on each of the committees on credentials, rules and permanent organization, and platform. The committees were named as follows:

Credentials—Harry McAllister, Frank Bell, L. A. Skelly, H. Roundtree, G. Casarillo, M. Hughes, Baylor Shannon, J. D. Windham, Ed. Belt, Sterling Burwell, John Burnside, S. S. Brannin, William Clark, I. J. Hall, R. T. Brown, Lem Childers, W. B. Wilson, A. R. O'Neill, G. S. Dawson, B. B. Ownby, Wm. Bates, Wm. Irvin, S. M. Lowell, J. L. Rutland and A. G. Carter.

Permanent organization and rules—Dr. Welch, John Head, Charles Rosecrans, John Allison, V. Lopez, Joseph Schlosberg, P. Shelly, J. D. Windham, C. W. McCormick, Sterling Burwell, J. D. Windham, John H. Lester, H. Feltis, George Kraege, R. T. Brown, Lem Childers, W. B. Wilson, J. Lynch, S. B. Raines, E. S. Douglas, J. Morris, Wm. Irvin, S. M. Lowell, J. L. Rutland and A. G. Carter.

Platform—J. Rabb, D. H. Goodsell, J. W. Fleming, T. W. Boone, L. Lopez, A. Cook, P. Shelly, J. D. Windham, C. W. McCormick, Sterling Burwell, Joseph Boone, John H. Lester, H. Feltis, George Kraege, R. T. Brown, Lem Childers, W. B. Wilson, J. Lynch, S. B. Raines, E. S. Douglas, J. Morris, Wm. Irvin, S. M. Lowell, J. L. Rutland and A. G. Carter.

The convention took a recess until 1 p. m., but it was 1:55 before the convention was called to order. A number of ladies occupied seats in the hall and listened attentively to the proceedings.

pleasure to address the democrats of Grant County at this time. He said that the democrats of New Mexico are to-day confronted by a contest such as they had never before called on to wage before. To this county every democrat in New Mexico is looking with anxious eyes, but on the other hand, every republican is looking on with the hope that you will break up in a row. I know that the republicans of the Territory, from Thomas B. Catron down, are looking on with that hope. Are you going to gratify their hopes? You have never engaged in a struggle fraught with more importance than this. No reason can be shown why the ticket of the democratic party should not be successful from top to bottom. Does not your common enemy oppose to you a united front? Are you going to do what they hope by day and by night? Is there any strife in the republican party of this county, which is the minority party? The democrats of New Mexico are expecting that the democrats of Grant County will carry their county this year. Why should you not go to work here today and nominate a ticket that is absolutely invincible? I make this appeal because I know you have it in your power to give 500 majority, not only to the county ticket, but to Anthony Joseph.

At the close of Mr. Childers' remarks Mr. Ferguson was called for but he was not in the hall. The report of the committee on credentials was called for but the committee was not ready to report. Meantime Mr. Ferguson had arrived and he addressed the convention in a short speech which was well received. The report of the committee on credentials was called for and the committee submitted the following report:

Table with 3 columns: Name, Precinct, Votes. Lists names like Dr. Welch, Mr. Bonner, John Head, etc.

After he had finished reading the platform, the judge made some very appropriate remarks, and the report was unanimously adopted.

It was 3 o'clock when the chairman announced that nominations for the office of sheriff were in order. The names of M. P. Moore, J. N. Upton and J. W. Gillett were presented to the convention and Judge Boone moved that three tellers be appointed by the friends of the candidates for sheriff, in order that there might be no unfairness. L. A. Skelly, John Burnside and B. B. Ownby were appointed and the roll of precincts was called. The first ballot resulted:

As neither of the candidates had received a majority of all the votes cast, another ballot was ordered with the following result:

Table with 3 columns: Name, Votes. Lists names like Gillett, Upton, Moore.

There being but 110 delegates in the convention the ballot was declared "stuffed" and a third ballot ordered. Judge Boone tendered the thanks of Mr. Moore to the convention and withdrew his name. The third ballot stood:

J. N. Upton having received a majority of all the votes cast was declared the nominee for sheriff.

Capt. Rabb, John B. Card, G. W. Miles and John B. Hodgdon were nominated as candidates for assessor. The first ballot resulted:

Table with 3 columns: Name, Votes. Lists names like Card, Miles, Hodgdon.

The third ballot resulted as follows:

Table with 3 columns: Name, Votes. Lists names like Thompson, Davidson, Loomis.

Mr. Thompson, having received the required number of votes, was declared the nominee for superintendent and amid such a scene of wild cheering as was never before heard in a Grant County convention. She was escorted to the platform by Judge Boone who thanked the convention in her name and for which he was heartily applauded.

At 6:15 the convention took a recess until after the speaking by the visiting democrats in the evening.

The convention reassembled at 11:10 and J. W. Fleming was nominated by acclamation for treasurer.

Four candidates were placed in the field for probate judge. They were: L. A. Marshall, R. V. Newham, A. G. Carter and J. W. Chisworth. The rules were suspended in reference to the requirement of a majority of all the votes cast to secure a nomination and it was resolved that the remaining nominations should be made by a plurality vote. A ballot was ordered on the candidates for probate judge with this result:

Table with 3 columns: Name, Votes. Lists names like Marshall, Chisworth, Newham, Carter.

Mr. Marshall, having received the highest number of votes, was declared the nominee for probate judge.

Baylor Shannon, Thos. J. Clark and J. Oglesby were nominated for commissioners from this district. The ballot resulted as follows:

CHOLERA!

Fortify Against It!

"An Ounce of Preventive is Worth a Pound of Cure."

The near approach of cholera and the danger threatening that it may become epidemic in this country and probably reach this section, makes the probability with more automatic than a scare. There is no need to be alarmed, however, for the American people. It is of great importance to us that we be better informed as to the cause of cholera, and how to prevent it. The cause of cholera is a germ which is found in the water, and the most important thing to do is to keep the water pure. The germ is very small and can be seen only with a microscope.
